Associate in Philosophy, Department of Philosophy, University of California, San Diego, 1991-92
Lecturer, Department of Philosophy, University of Redlands, Fall 1989

ADMINISTRATIVE RESPONSIBILITIES & ACCOMPLISHMENTS

Assistant Provost of Student Academic Support and Retention

Responsibilities

- ❖ Served as Academic Division lead for on-going planning, delivery, and assessment of enhanced early alert intervention processes to improve persistence and graduation rates and student success
- ❖ Oversight of planning, budgeting, delivery and assessment of academic support services, including academic advising, fundamental writing and math skills programs, general academic tutoring (including supplemental instruction), and university writing center and writing-in-the-disciplines program
- ❖ Oversight of planning, delivery, and assessment of undergraduate honors programs, including first-year honors program, legal scholars program, and fellowship program
- ❖ Oversight of planning, delivery and assessment of international programs and services (until spring 2015)
- ❖ Final appeal for student academic grievances

Accomplishments

- Wrote internally funded \$750,000 ‘Student Success’ proposal to improve early alert referral and case management system, academic advising, tutoring and supplemental instruction, ESL, and developmental writing
- Co-led planning and implementation of the above processes and positions
- Strengthened coordination of academic support services among relevant campus stakeholders

Assistant Provost of Academic Affairs

Responsibilities

- ❖ Guidance of new academic programs through review process and liaison to university curriculum committee
- ❖ Oversight of undergraduate honors programs, including the four-year honors, legal scholars, and fellowship program
- ❖ Oversight of undergraduate research
- ❖ Oversight of planning, delivery and assessment of international programs and services
- ❖ Oversight of undergraduate experiential learning
- ❖ Review and provide recommendations for delivery of, and resource allocation for, fundamental skills writing and math programs
- ❖ Final appeal for student academic grievances

Accomplishments

- Co-led the revision of the fundamental skills writing program to reduce number of units and time to complete fundamental skills writing requirement
- Led the revision of the university-wide honors program
- Co-led the Academic and Career Advising Committee and principal author of the report that guides Pacific’s early alert and advising strategic planning
- Improved process for new academic program proposal review
- Reorganized International Programs and Services

Director of General Education

Responsibilities

- ❖ Led all aspects of the general education program, especially the three Pacific Seminars (130 sections annually), which are separate from Departmental/School courses
- ❖ Oversaw the university-wide general education committee and created strategic planning
- ❖ Created the three Pacific Seminar schedules and coordinated staffing with chairs in eighteen departments in the College of Arts and Sciences and with Deans in six professional schools
- ❖ Hired, supervised, and evaluated roughly eighteen part-time faculty annually to teach in the Pacific Seminars
- ❖ Organized faculty development activities (internal and external) for the Pacific Seminars
- ❖ Led the process of Pacific Seminars assessment
- ❖ Planned and monitored multiple budgets
- ❖ Resolved faculty and student disputes in Pacific Seminars courses
- ❖ Helped the seven Schools resolve problems with GE graduation requirements
- ❖ Co-directed with the Dean of Students the First-Year Experience Committee to improve student

success

- ❖ Worked with the Office of Student Life to coordinate academic programming in residence halls for Pacific Seminar 1
- ❖ Worked with faculty and publishers to produce course readers for Pacific Seminars 1 and 3
- ❖ Made presentations on the GE program at national conferences and to the Pacific community
- ❖ Applied for external funding for the GE program
- ❖ Oversaw the annual Thomas J. Long Scholarship and Fellowship awards selection for General Education
- ❖ Worked with Office of the Registrar to articulate transfer courses for GE

Associate Dean of the College of Arts and Sciences

Responsibilities

- ❖ Part of the Dean team in the College of Arts and Sciences that led and managed eighteen departments and five programs/centers
- ❖ College Curriculum Committee Chair
- ❖ Attended monthly Academic Affairs (university curriculum) meetings
- ❖ Attended monthly chairs/program directors' meetings
- ❖ Represented the College at various internal and external events
- ❖ Interviewed job candidates in the College of Arts and Sciences

Accomplishments as Director of General Education and Associate Dean

- Led the revision of the GE program during extensive program review, especially the creation of the nationally recognized Pacific Seminars
- Wrote a successful grant for the Association of American Colleges and Universities (AAC&U) Core Commitments Leadership Consortium (2007-9), promoting personal and social responsibility as essential university learning outcomes
- Served as Pacific's team leader for the AAC&U Core Commitments Leadership Consortium
- Co-leader of committee that created and gained approval of Pacific's first set of university-wide learning objectives and outcomes
- Successfully lobbied the Provost and President to allocate seven new faculty lines to strengthen Pacific Seminar staffing
- Made nine presentations on the Pacific Seminars at AAC&U and NRC conferences
- Helped design the first university-wide assessment committee
- Helped lead the strategic planning process for the College of Arts and Sciences

Philosophy Department Chair

Responsibilities

- ❖ Leadership of all aspects of the department, including curriculum planning, oversight of budget, faculty and staff evaluation, resolution of student-faculty conflicts, program assessment, and advising

Accomplishments

- Led four-fold expansion of number of majors
- Recruited several minority students to philosophy
- Hired the top candidate for tenure-track positions in three searches

- Directed undergraduate student research
