

Pipeline to Pacific

Engineering

What is it?

The Pipeline to Pacific assists San Joaquin Delta College (SJDC) students in completing introductory coursework and transfer to the School of Engineering and Computer Science at Pacific while using their time and money efficiently. Acceptance into the School of Engineering and Computer Science Pipeline program and completion of the requirements below guarantee the student’s admission into Pacific, it does not guarantee a timeline in which the degree will be completed.

What do I get?

- Counseling and student support services at SJDC
- Course-to-course articulation so you know how your courses transfer to Pacific
- Annual course advisement with Pacific faculty
- An individualized, detailed academic plan while at SJDC that takes pre-reqs and course requirements into consideration for future coursework at Pacific
- Access to the Pacific library via a Guest Card (see application on the back)
- Participation in select clubs at Pacific

What is required?

Students in the Pipeline to Pacific are guaranteed admission to Pacific’s School of Engineering and Computer Science upon satisfactory completion of:

- MATH 001 at SJDC with a “C” or better
- Transfer admission application
- Minimum 2.75 GPA

How do I apply to the Pipeline to Pacific?

Complete and sign the application below and review the Guest Card application on the back. Return to the Agriculture, Science and Mathematics Division SCMA 337/338 or a Pacific staff or faculty member. You will be contacted to schedule an advising meeting with a Pacific faculty member.
